

## School trips to France for Primary and Secondary School Pupils

### Have you thought of enhancing your pupils' enthusiasm for French language and culture by:

- Offering them the chance to explore aspects of French life and culture first-hand.
- Giving them a chance to practise their French in real contexts and settings.
- Developing a cross-curricular approach by linking the learning of French to other curricular areas.

We can help you organise that perfect school trip in the beautiful region around *Sarlat-la-Canéda* in South-West France. Your pupils will experience French culture and way of life first-hand whilst enjoying the hospitality of our carefully selected residential centre. The **Centre International de Séjour (CIS)** is situated in the picturesque village of **Salignac, Dordogne** and is all geared up for you: it has 41 bedrooms, a swimming pool, 5 classrooms, a TV lounge, internet access and top French cooks!

### Here is a selection of the activities we can offer your pupils:

- French language classes in the morning with fun language activities designed specifically for them. Activities will be organised according to the age and levels of the pupils in consultation with their teachers.
- A visit to the world famous pre-historic caves of *Lascaux II* and/or A visit to the *Château de Castelnaud*, a stunning medieval French fortress, overlooking the river *Dordogne*.
- An afternoon canoeing on the river *Dordogne*, taking in some of the famous sights (ie. *Beynac, Domme, Castelnaud, la Roque-Gageac*).
- *Pétanque*, ping pong, volleyball and other sporting activities will also be organised.

<b>Cost of Trip to France (5 days and 4 nights) *</b>	<b>£400</b> per pupil for a group of 20 pupils
	<b>£380</b> per pupil for a group of 30 pupils
